SCC PROCEDURES FOR THE ADMINISTRATION OF CASES UNDER THE 2010 UNCITRAL ARBITRATION RULES

INTRODUCTION

The SCC Procedures for Administration under the UNCITRAL 2010 Arbitration Rules (“Procedures”) is a supplemental tool for parties who have agreed that any dispute, controversy or claim shall be referred to arbitration under the UNCITRAL Arbitration Rules (“Rules”) administered by the Arbitration Institute of the Stockholm Chamber of Commerce (SCC).

Main administrative tasks of the SCC under the Procedures:

- Appointment of arbitrators
- Deciding challenges of arbitrators
- Deciding and administering the costs of the arbitration

The Procedures may be adopted by agreement at any time before or after a dispute has arisen. An arbitration agreement designating SCC as administering body includes the role as appointing authority under the UNCITRAL Arbitration Rules, unless otherwise agreed by the parties.

The SCC maintains different versions of the Procedures depending on whether the 1976 or the 2010 version of the UNCITRAL Arbitration Rules applies to the parties’ arbitration agreement.

DEFINITION OF COSTS*

Article 12

Articles 40-43 of the Rules are replaced by Article 13 and Article 14 of the Procedures.

Article 13

- (1) The costs of arbitration consist of:
 - (i) the fees of the arbitral tribunal;
 - (ii) the administrative fee; and
 - (iii) the expenses of the arbitral tribunal and the SCC.
- (2) Before making a final award, the arbitral tribunal shall request the SCC to finally determine the costs of the arbitration. The SCC shall finally determine the costs of arbitration in accordance with the Schedule of Costs (Appendix I) in force on the date of commencement of the arbitration under Article 3.2 of the Rules.
- (3) If the arbitration is terminated before the final award is made under Article 34 of the Rules, the SCC shall finally determine the costs of the arbitration having regard to when the arbitration terminates, the work performed by the arbitral tribunal and other relevant circumstances.

- (4) The arbitral tribunal shall include in the final award the costs of arbitration as finally determined by the SCC and specify the individual fees and expenses of each member of the arbitral tribunal and the SCC.
- (5) In relation to the interpretation, correction or completion of the award, or an additional award, under Articles 37-39 of the Rules, the arbitral tribunal may charge the costs referred to in paragraph 1 (iii), but no additional fees.
- (6) The costs of the arbitration shall in principle be borne by the unsuccessful party or parties. However, the arbitral tribunal may apportion each of such costs between the parties if it decides that apportionment is reasonable, taking into account the circumstances of the case.
- (7) The arbitral tribunal shall in the final award or, if it deems appropriate, in any other award, determine any amount that a party may have to pay to another party as a result of the decision on allocation of costs.
- (8) The parties are jointly and severally liable to the arbitrators and to the SCC for the costs of the arbitration.

ADVANCE ON COSTS

Article 14

- (1) The SCC shall determine an amount to be paid by the parties as an advance on costs.
- (2) The advance on costs shall correspond to the estimated amount of the costs of arbitration under Article 13.1 of the Procedures.
- (3) Each party shall pay half of the advance on costs, unless separate advances are determined. Where counterclaims or set-offs are submitted, the SCC may decide that each of the parties shall pay advances on costs corresponding to its claim. Upon a request from the arbitral tribunal, or if otherwise considered necessary, the SCC may order parties to pay additional advances during the arbitration.
- (4) If a party fails to make a required payment, the SCC shall give the other party an opportunity to do so within a specified deadline. If the required payment is not made, the SCC shall decline to act, in whole or in part. If such payment is

not made, the arbitral tribunal may order the suspension or termination of the arbitral proceedings. If the other party makes the required payment, the arbitral tribunal may, at the request of that party, make a separate award for reimbursement of the payment.

- (5) At any stage during the arbitration or after the award has been made, the SCC may draw on the advance on costs to cover the costs of the arbitration.
- (6) The SCC may decide that part of the advance on costs may be provided in the form of a bank guarantee or other form of security.

All decisions by the SCC under the Procedures are final.

SCC PROCEDURES AS APPOINTING AUTHORITY UNDER THE 2010 UNCITRAL ARBITRATION RULES

ABOUT THE SCC AS APPOINTING AUTHORITY

Article 1

When designated as appointing authority under Article 6 of the 2010 UNCITRAL Arbitration Rules (the Rules), the Arbitration Institute of the Stockholm Chamber of Commerce (SCC) will perform the functions of the appointing authority as set forth in the Rules, supplemented by the provisions of the SCC Procedures as Appointing Authority under the 2010 UNCITRAL Arbitration Rules.

APPOINTMENT OF SOLE OR PRESIDING ARBITRATOR

Article 2

When requested to appoint a sole or presiding arbitrator under Articles 8(1) or 9(3) of the Rules, the SCC will follow the list procedure set forth in Article 8(2) of the Rules unless all parties agree that the list procedure is not appropriate for the case.

In selecting arbitrators, the SCC will carefully consider the nature of the case, as described in the Notice of the Arbitration, in order to include in the list persons who are not only experienced in international arbitration but also familiar with the legal, technical and commercial aspects of the matter.

When appointing a sole or presiding arbitrator under the Rules, the SCC will, in so far as possible, designate a person of a nationality other than the nationalities of the parties, unless otherwise agreed by the parties.

APPOINTMENT OF A SECOND ARBITRATOR

Article 3

Under Article 9(2) of the Rules, when three arbitrators are to be appointed, each party is to appoint one arbitrator, but if a party fails to do so, the other party may request that the appointment of the second arbitrator be made by the appointing authority.

In accordance with the Rules, the SCC, when appointing a second arbitrator, will exercise its discretion and will not utilize the list procedure. Such second arbitrator shall be impartial and independent of either party.

DECISIONS ON CHALLENGES TO ARBITRATORS

Article 4

Article 12 of the Rules provides that any arbitrator may be challenged if circumstances exist that give rise to justifiable doubts as to the arbitrator's impartiality or independence.

When deciding challenges at the request of any party under Article 13(4) of the Rules, the SCC will do so through its Board.

APPOINTMENT OF SUBSTITUTE ARBITRATORS

Article 5

When the SCC shall appoint a substitute arbitrator under Article 14 of the Rules, the procedure prescribed in Articles 2 and 3 above shall be followed.

STATEMENT OF IMPARTIALITY AND INDEPENDENCE

Article 6

For the purpose of Article 11 of the Rules, each person appointed as arbitrator by the SCC shall submit to the SCC a signed statement of impartiality and independence as decided by the SCC. The SCC shall send a copy of the statement to the parties and other arbitrators.

Article 7

All decisions by the SCC under the SCC Procedures as Appointing Authority under the 2010 UNCITRAL Arbitration Rules are final.
